

Announcing a special event for vintners  
*Presented by the NVV and Brotemarkle, Davis & Co.*

Have you ever wondered what really goes on in Congress? Do you want to know how and why bills become law and what changes you can expect in the future?

You are cordially invited to hear beltway veteran and *Forbes* tax policy expert Dean Zerbe as he shares the stories behind the tax law changes that could impact you this year and beyond. He'll offer insights about the players involved and the changes that he foresees in areas of interest to businesses and individuals in the wine industry.

**A Conversation with Dean Zerbe**

*Presented by the NVV and Brotemarkle, Davis & Co.*

Monday, April 20 from 4:00 to 6:00 p.m.  
Vintners Room at Meadowood Napa Valley  
No charge for NVV members  
Winery owners and principals are encouraged to attend

Specifically, Zerbe's presentation will cover tax law changes expected under the new Obama administration, including estate taxes, LIFO accounting, and audit rates. He'll also offer insights to credit availability during this economic downturn, along with some anecdotes and stories about the people and the happenings on Capitol Hill as seen from the eyes of a true Washington insider. Then, we'll open the microphone for your questions and discussion.

A casual wine and networking reception will immediately follow the presentation.

To register: e-mail or call Patsy McGaughy (PMcGaughy@napavintners.com) at the NVV office at (707) 968-4207 to RSVP.
